FOOD SAFETY

To Whom It May Concern:

The number of children with peanut and nut allergies has seemed to increase over the years. At Shires Bakery, we take great pride in reassuring our customers peanut and nut free cookies, dough and other baked goods.

We do not manufacture any products in our bakery that use any type of peanut or nut ingredient. You will not find any peanuts or nuts in our bakery.

Our employees and visitors are informed at the entrance of the bakery that peanut and nut products are not allowed in the facility at any time.

If you require further information feel free to contact us at (905) 383-4066 or e-mail us at
